At MSCL House, we provide a male-only, supportive, substance-free home living environment for individuals who want to achieve long-term sobriety.

“RECOVERY IS AN INDIVIDUAL CHOICE AND AN ONGOING PROCESS; IT IS DEMONSTRATED, MEASURED, AND STRENGTHENED BY COMMUNITY INVOLVEMENT.”

Men’s Second Chance Living

Social Model Recovery Systems

Because Every Day is a Second Chance
**Our Mission**

To help men living with addiction succeed in their recovery and achieve sustained sobriety by providing them with safe, affordable sober housing and support services while serving their needs and treating them with respect, compassion and a belief in the value of each individual.

**Our Vision**

To establish an all-male sober home in the Wood River Valley offering the most effective recovery structure; and to be recognized by the community as a program of excellence in which men living with addiction are afforded the best chance to heal, change, and improve their lifestyles.

**Living Environment**

MSCL House is located in a residential area in the heart of Hailey. Our home fosters feelings of safety and ownership of space allowing for the emotional healing necessary for lasting recovery. Our goal is to deliver the highest caliber of service to those in recovery by:

- Offering a comfortable home setting where living spaces are shared, collaboration is emphasized, new sober relationships are made, and isolating behaviors are avoided.
- Delivering strong, caring supervision by staff that is empathetic and available to listen, mediate, troubleshoot, support, and provide residents the assistance needed in dealing with anything that threatens their sobriety or ability to stay focused on their recovery.
- Establishing an effective, well-structured, well-run environment where recovering individuals can practice during their stay the recovery skills for day-to-day living.
- Establishing program Standards, Policies and House Rules that foster accountability, responsibility, encourage volunteerism and strengthens residents’ relationships with the community.
- Developing solid strategic partnerships with individuals, businesses, community leaders, faith-based organizations, health care and wellness organizations, and government agencies to arrange for services, volunteer and job opportunities, and general support for the residents.
